

AAS

(Angioedema Activity Score)

Scoring Template

The AAS consists of 5 questions as well as an opening question. A score between 0 and 3 is assigned to every answer field. The question scores are summed up to an AAS day sum score, 7 AAS day sum scores to an AAS week sum score (AAS7), and 4 AAS week sum scores may be summed up to an AAS 4-week sum score (AAS28). Accordingly, the minimum and maximum possible AAS scores are 0-15 (AAS day sum score), 0-105 (AAS7), and 0-420 (AAS28).

The opening question may be used to count the number of angioedema affected days during the AAS documentation period but has no score.

Days of week 1								Days of week 2								Days of week 3								Days of week 4
